PROFESSIONAL SUMMARY

Software Developer experienced in building scalable full-stack applications using React.js, .NET Core, ASP.NET, and SQL Server. Skilled in REST API development, database design, and delivering user-centric solutions. Focused on performance optimization, secure authentication, and maintainable architecture.

KEY ACHIEVEMENTS

- Improved website performance by 35% through optimization techniques
- Developed 5+ fully responsive applications with cross-browser compatibility
- Integrated REST APIs for scalable content delivery
- Reduced load time from 3.5s to under 1s using Vite optimization

EXPERIENCE

Apptad Inc.

Software Developer

Dec 2025 – Present

- Working on **Survey Management System** for **National Productivity Council (Government of India)**
- Developing scalable full-stack applications using .NET Core, React.js, and SQL Server
- Designing and integrating RESTful APIs for dynamic data handling
- Implementing role-based authentication and improving system performance

Shuk Global Pvt. Ltd.

Full Stack Developer

May 2024 – Dec 2025

- Developed **CustOs Admin & Agent Application** using C#, WPF, .NET Core, and SQL Server
- Built backend services and REST APIs for seamless integration
- Implemented role-based access control and optimized database performance

PROJECTS

CustOs – Operations Management System

C#, WPF, .NET Core, SQL Server, REST APIs

- Developed admin and agent system for workflow management
- Built REST APIs and implemented authentication
- Designed optimized SQL database structure

BharatByte – IIT Delhi

React.js, Node.js, Express, Vite

- Built responsive UI using React and Vite
- Developed backend APIs and integrated frontend

- Optimized performance and application load time

Survey Management System - National Productivity Council

.NET Core, WPF, SQL Server, JWT

- Developed survey system with multi-role access
- Implemented secure JWT authentication and analytics dashboard
- Optimized database performance for large datasets

SKILLS

Languages: HTML, CSS, JavaScript, C#, SQL

Frameworks: React.js, .NET Core, ASP.NET, Node.js, Express.js, Tailwind CSS

Tools: Git, GitHub, VS Code, Vercel, Netlify, Figma, NPM

Other: DBMS, Operating Systems, Firebase, REST API Integration

EDUCATION

Graphic Era Hill University

MCA (Master of Computer Applications)

Dehradun

2023 – 2025 | CGPA: 7.6

Graphic Era Hill University

BSC IT(Bachelor of Science in Information Technology)

Dehradun

2020 – 2023 | CGPA: 7.56

CERTIFICATIONS

- Principles of UI/UX Design – Coursera
- Machine Learning – SoloLearn
- Web Development and Designing – OSICS
